## Kopaonik

Lokacija

Kopaonik je udaljen 290 km od Beograda i predstavlja jedan od najpoznatijih turističkih centara u Srbiji. Zahvaljujući jedinstvenim klimatskim uslovima i bogatoj sportsko-rekreativnoj ponudi, Kopaonik pruža idealne uslove za aktivan odmor i uživanje u netaknutoj prirodi.

Klimu Kopaonika odlikuje preko 200 sunčanih dana godišnje zbog čega s pravom nosi naziv „planina sunca“.

Zbog svoje prirodne vrednosti, Kopaonik je proglašen nacionalnim parkom 1981.

Location

Kopaonik is located at 290km from the capital of Belgrade and represents one of the most popular tourist destinations in Serbia. Unique climate and endless possibilities for sport and recreation make Kopaonik an ideal place for active holidays and true connection with the untouched nature.

Kopaonik is also called "The mountain of the Sun" for its nearly 200 sunny days per year. Due to its natural values Kopaonik was proclaimed for the National park in 1981.
